

# Offering Comprehensive People Development Activities

Corporate training worldwide focuses on people development and it has become essential in these competitive times to differentiate ourselves from the rest in the market place. The people make the difference. "It is only as we develop others that we permanently succeed." - Harvey S. Firestone

## Certified Practitioner

### MBTI - Myers-Briggs Type Indicator

The Myers-Briggs Type Indicator (MBTI®) is a widely used assessment which provides insight into one's personality, motivations, natural strengths, and potential areas of growth. Using a relatively short, non-invasive forced-choice questionnaire, the tool helps individuals gain a conscious understanding of their thinking and communication preferences vis-a-vis other people.

### Saville Consulting

Saville Consulting develop rigorous and work relevant measuring tools which have transformed traditional approaches to assessment around the world. Which enables clients to achieve outstanding results through new approaches to measuring and exploring the relationship between personal motives, personal talents and the crucial interaction between individuals and their workplace culture.
